

CLIENT INFORMATION INTAKE FORM

The Client Information Intake Form Consists of 7 pages. Please download this form, open it using something other than a web browser, and save often to keep from losing your information.

Page	Content
------	---------

- | | |
|-----|--|
| 1 | The first page is instructions. |
| 2-4 | Pages two through four concern your personal information. This information is never sold or shared, and is only for developing your Success Plan. |
| 5 | The fifth page contains the Challenges Checklist. Please read each item on that page and Check the box (for YES) behind each item, then go back and number each Check in order of priority. "1" is your highest priority, with "10" as your lowest priority. It is okay to use more than one 1, more than one 2, but don't make them all 1's and 2's. Do spread out your numbers. If an item doesn't apply to you, leave it blank.... Don't mark it a "10". |
| 6 | Page six briefly describes the Seven Keys.. On this page, number 1 has been entered for you on the Bronze Key blank, as it always has to be first. The rest of the blanks are to be numbered 2 through 7, using each number only once . Again, if they don't apply to you, leave them blank. |
| 7 | The last page is for office use only. Please leave it blank. |

After completing the form, please email it to info@acesuccess.com

If you have any questions feel free to call us at Success Center, Inc.

THE SEVEN KEYS TO SELF-ACTUALIZATION USING SELF-HYPNOSIS

This page briefly describes the Seven Keys.. On this page, number 1 has been entered for you on the Bronze Key, as it always has to be first. The rest of the blanks are to be numbered 2 through 7, using each number *only once*. If they don't apply to you, leave them blank. Problem-resolution and achievement of individual goals will continue in all Keys.

1 AUTO-SUGGESTION AND SELF-HYPNOSIS.....THE BRONZE KEY

Develop heightened sensory awareness and the ability to better control your environment. Enhance emotional awareness, control, and expression. Decision making skills and the Will to Learn are introduced. You will also begin increasing your ability to understand and remember the essence of what you read, see and hear.

MEMORY ENHANCEMENT.....THE COPPER KEY

Develop a photo/phonographic memory, mental data correlation, speed-reading, effective test taking techniques and instant math intuition. Improve memory for names and faces. Anything required for better learning ability is unlocked with this Key.

CREATIVITY.....THE SILVER KEY

Learn to be inspired at will! Remove all mental / emotional blocks to effective public speaking, writing, and problem solving. Enhance special talents such as art, acting, musical performance and composition. Apply your newly awakened creative skills to all areas of your life!

SUCCESS.....THE DIAMOND KEY

Remove any mental or emotional blocks to your personal and business success through hypnotic age regression. Develop the skills and motivation necessary to create the career you've always wanted! With the Diamond Key you can easily apply the powerfully persuasive communication tools of "Neuro Linguistic Programming" for maximum success in business and career-related areas.

BODY AWARENESS & HEALTH TRANSFORMATION.....THE GOLD KEY

Develop abilities to manage stress, lower blood pressure, release excess weight. Your body cooperates with you to attain and keep your ideal shape and top health. Learn to release unnecessary discomfort, improve athletic abilities, enhance vision/hearing, and much more. Rejuvenation. The Hypnotic Fountain of Youth is available as a Gold Key Option.

ESTABLISHING & ENHANCING RELATIONSHIPS.....THE RUBY KEY

Singles learn to choose, attract and stay in a quality relationship with YOUR Right one. ALREADY IN A RELATIONSHIP? Make it even better! Become the person most desired by your mate. PARENTS, learn to be in a warm and positive relationship with your children, whether they are 5 or 45.

SPIRITUAL GROWTH.....THE PLATINUM KEY

Meet your Spirit Guides and Higher Self. Explore your past lives. Develop your psychic abilities. Select from among telepathy, astral projection, precognition and other special talents. Advance option: Psychic diagnosis and the Healing Touch. HELPER/HEALERS enhance communication, interpersonal and helping skills of all kinds.
